

Dear Families:

To encourage healthy lifestyles and physical activity, the students at your child’s school are invited to participate in the 5210 Numbers to Live by Challenge.

5 Fruits and vegetables...more matters! Eat at least 5 servings a day. Limit 100% fruit juice.

2 Cut screen time to 2 hours or less a day.

1 Participate in at least one hour of moderate to vigorous physical activity every day.

0 Restrict soda and sugar-sweetened sports and fruit drinks. Instead, drink water and 3-4 servings/day of fat-free/skim or 1% milk.

To promote the 5210 program, we are encouraging the students to participate in a goal-tracking activity. Each month during January, February, March, and April, there will be a goal-setting activity focused on one of the numbers of the program. Each student who completes the goal for the month will receive a colored bracelet with a 5210 message. Students who collect all four bracelets will receive an award certificate and prize in early June.

During the month of January, we will be focusing on the number 5. Your child is being encouraged to eat 5 servings of fruits and vegetables each day. During the week of January _____, we are asking that students record the fruits and vegetables that they eat. Students who eat at least 5 servings of fruits and vegetables per day that week and return the fruit and vegetable record signed by a parent/guardian will receive the bracelet.

As a parent, you can help by serving as a role model and by providing opportunities for your child to make healthy choices.

Please detach and return this portion of page to classroom by:

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
1	1	1	1	1	1	1
2	2	2	2	2	2	2
3	3	3	3	3	3	3
4	4	4	4	4	4	4
5	5	5	5	5	5	5
