

DocBookMD is a smartphone platform designed by physicians for physicians, that provides an exclusive HIPSS_compliant professional network to connect, communicate and collaborate with your colleagues. As physicians, we always look for ways to manage our hectic professional schedules. DocBookMD will help you save time and prevent delays at Point-of-Care.

*DocBookMD is in partnership with Santa Cruz County Medical Society to supply this amazing app FREE and to help you provide the best care and service to your patients.

GET STARTED It's easy as 1-2-3!!

- First, contact SCCMS for our County Medical Society ID number. Call 479-7226 or email sccms@cruzmed.org.
- Then download DocBookMD from the iTunes App Store or the Android Market.
- Open the app on your phone to begin the registration process. This is when you will need the ID number.
- Start using DocBookMD to connect, communicate and collaborate!

DocBookMD gives you...

On-Demand Messaging

- Send instant HIPAA-compliant messages
- Set message priority – Get a 5 min, 15 min, or normal response time

Multi-Media Collaboration

- Send high resolution images, e.g. X-rays, EKGs or wounds.

Fast Look up of Physicians

- A directory of your county medical society colleagues

Use on Multiple Devices

- Switch easily and seamlessly between up to 2 devices: iPhone, iPad, or iPod Touch or Android
